Fr Owen Writes:

Welcome to this week's newsletter. What I have learnt from growing up in Northern Ireland is that it is sometimes easier to go with the flow than it is to stand up for the faith. It is easier to be faithful to the Gospel when it suits others. But what when it brings us into direct opposition? Well, then it is time to take up our cross and to follow Christ!

Sometimes to be a Catholic is not to go with the flow, but rather to be the person despised – something that my wider family have taught me in their socialist/ Marxist approach to life and the faith. People do not like it when we point out what is against the faith and like it even less when we stand up for it, 'tooth and nail' so to speak. If we do not support something which does not align with the true faith then we are stubborn and trying to break down community! Faith is much more than just going with the flow! Faith is much more than be accepted by those around us, even party leaders and family! Faith is the Truth, the Whole Truth and nothing but the Truth. No matter the climate and opinions of others!

1st Reading	These rebels shall know that there is a prophet among them.	Ezekiel 2:2-5
Psalm	Our eyes are on the Lord till he show us his mercy.	Psalm 122
2nd Reading	The Lord's power is at its best in weakness.	2 Corinthians 12:7-10
Gospel	'A prophet is only despised in his own country'.	Mark 6:1-6
