Father Owen writes,

Advent is always marked as a time of expectant waiting. Sometimes this expectancy is patient and sometimes we have the habit to wish it away and get to move on from all the goings on around us. I have always personally loved Advent since it has always afforded me the chance to ponder on what is about to happen.

Our God, who loves us so much in such an immeasurable way became man to walk among us. He wanted such a relationship with His creation that he became part of it. Just think about that for a moment – He became part of His creation so as to be close to us/ it for His love was so great.

What are we going to do in order to raise ourselves up to meet Him??

HOPE FOODBANK ADVENT APPEAL: The Hope Project operates foodbank hubs in St Aidan's and Sacred Heart. They aim to provide a supply of three meals a day for three days to those in need. The cost of living crisis has meant that more families, elderly people and others on low incomes in particular are faced with a stark choice: eat or heat. The Hope Project Foodbank is preparing for an extremely busy period in the run up to Christmas, and needs more resources to meet the expected high demand. Donations of money and food are needed at this difficult time for many in our area. There is a Crowd funder Appeal during Advent to raise funds to replenish stock. Your donations will be most welcome: <https://www.crowdfunder.co.uk/p/fundraiser-for-foodbank-supplies>
